kingreimmy@gmail.com | +256 740 176 195 (Mobile) | +256 781 338216 (WhatsApp)

PROFESSIONAL SUMMARY

Dynamic youth leader and creative professional with a proven track record at AHF Uganda Cares and Mildmay Uganda in program development and mentorship, including launching the Boys to Men Program to expand support services for young men. Skilled in graphic design, web development, research, and report editing, with strong proficiency across Microsoft Office and Adobe Creative Cloud. Experienced at building welcoming, trustworthy environments for youth engagement and at delivering accurate, well-organized data management and content work across marketing and design projects.

EXPERIENCE

Youth Leader — AHF Uganda Cares, Kampala, Uganda

Aug 2023 – Present

- Initiated the Boys to Men Program, extending to young men the same developmental support and benefits previously available mainly to girls.
- Provided guidance and mentorship to youth in building healthy relationships with peers and adults.
- Encouraged youth participation in community service projects that promote civic engagement.
- Fostered a safe, judgment-free environment where young people could express themselves openly.

Computer Teacher — YWCA-VTI, Kampala, Uganda

Jun 2023 – Present

- Designed and delivered lesson plans using interactive activities to engage students with course material.
- Instructed students on Microsoft Office Suite, Adobe Creative Cloud, and other specialized software.
- Supported students in troubleshooting hardware and software issues.
- Managed lab equipment inventory and tracked student progress through an online gradebook system.

Data Entry Officer — Everest Gauge, Kampala, Uganda

Jan 2019 – Nov 2021

- Entered and maintained accurate records across filing and dispatch system software.
- Verified data accuracy during entry to ensure reliable, up-to-date information across databases.
